Insert: "COORDINATION SECTION. Section 4. Coordination instruction. If both Senate Bill No. 395 and [this act] are passed and approved and if both of the bills include sections amending 53-6-132, then the sections amending 53-6-132 are void and 53-6-132 must be amended as follows:

"53-6-132. Application for assistance -- exception. (1)
Subject to subsection (2), application for assistance under this
part may be made in any local office of public assistance. The
department shall adopt medicaid eligibility procedures and
criteria that are consistent with federal requirements.

(2) (a) The An application for medical assistance under
this part must be presented in the manner and on the form
prescribed by the department.

(b) The application may request only the minimum
information necessary to make an eligibility determination under
state and federal laws.

(3) All individuals wishing to apply must have the
opportunity to do so.

(2) Notwithstanding the provisions of subsection (1), the
department may designate an entity other than the local office of
public assistance to determine eligibility for medicaid managed
care services.

(4) The department may participate with federal and state
programs and agencies in the coordination of procedures and
criteria for eligibility determination, including use of
interactive electronic networks and databases and other
appropriate measures.

(5) To the extent permitted by federal law, the eligibility
determination process must:

(a) through a data match system, use information that the
owner of the information agrees to provide and that is legally
accessible by the state to collect and verify applicant
information in place of requiring applicants to submit
documentation;

(b) use technology that includes the use of online
applications, electronic databases, document imaging, and other
electronic content management tools; and

(c) authorize electronic signatures in accordance with
state standards pursuant to Title 30, chapter 18."
